## ADDRESS UPDATE

A note from Ryan Countryman

Please keep in touch with him as it will help the time go by faster. He writes: "Letters from home will help keep that sense of stability. Most importantly, please keep me in your prayers. Prayers for strength and courage, to not only stay focused on my goals I have set for myself here personally, but to pursue a deeper walk with God. I have found it extremely easier to find time to pray, and study my daily Bible readings. I still have a lot to learn about this place, school is my next item on my to-do list. Other than that, enjoying myself here and building sand castles! I love you all deeply. Ryan"
